

## DISCLAIMER

**1. Accuracy:** Every effort is made to provide information that is accurate

**2. Online Contents:** The authors reserves the right not to be responsible for the topicality, correctness, completeness or quality of the information provided. Liability claims regarding damage caused by the use of any information provided, including any kind of information which is incomplete or incorrect, will therefore be rejected. All offers are not-binding and without obligation. Parts of the pages or the complete publication including all offers and information might be extended, changed or partly or completely deleted by the authors without separate announcement.

**3. Referrals and external links:** The Authors are not responsible for any contents referred to this website. Some web sites of this presentation provide links to other internet sites for the convenience of users. HANDTE Environmental Technologies & science-E-publishing are not responsible for the availability or content of these external sites, nor does HANDTE Environmental Technologies & science-E-publishing endorse, warrant, or guarantee the products, services, or information described or offered at these other Internet sites. Users cannot assume that the external sites will abide by the same Privacy Policy to which HANDTE Environmental Technologies & science-E-publishing adheres.

**4. Copyright:** The Authors intended not to use any copyrighted material for the publication or, if not possible, to indicate the copyright of the respective object. The copyright for any material created by the authors is reserved. Any duplication or use of such diagrams, sounds or texts in other electronic or printed publications is not permitted without the author's agreement.

**5. Legal force of this disclaimer:** This disclaimer is to be regarded as part of the website which you were referred from. If sections or individual formulations of this text are not legal or correct, the content or validity of the other parts remain uninfluenced by this fact.
